PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

RECENT OPERATIONS

By Paul Rardin

MY BIRTHDAY anniversary is Saturday, July 21. I make this announcement just in case someone feels that I should have a new Cadillac or airplane for a birthday gift. If you remember your history it is easy to calculate my age—I was born the year the first Roovevelt took over.

CLYDE ALLEY will remain in Pahokee. He had thought something of going somewhere to school but the plan brought on too many complications and he dismissed the whole idea from his mind. As City Clerk in Pahokee he is doing an excellent job. The announcement that he plans to remain as a Pahokee resident will come as good news to everyone.

VACATIONS ARE the order of the day! Have you had yours yet? Dick LeFils of Belle Glade yesterday and he said you can easily tell the farmers who make money last season. They are sent from home this summer—vacation. Dick hadn't been anywhere.

CANAL POINT schools will be minus four of the teachers who have been in Canal Point for many years. Among the familiar faces to be absent this fall when school starts are: Mrs. Loel Lence, Mrs. Tommy Griffith, Mrs. Sorchie Baird, Mrs. Peg deMoya. Maybe one more. Folks regret very much to lose them.

CATTLE SALES at the Glades Livestock Market are holding up well, according to the market manager, George Young. George is doing a dandy job as manager of the market and cattlemen throughout the area served by the market are loud in their praise for the manner in which the market is operated.

ROAD DEPARTMENT members will meet in West Palm Beach in their regular July meeting next Monday and Tuesday. It is the first time in many years that a SRD meeting has been held in Palm Beach County. I had the pleasure of extending the official invitation for the meeting in our county. It was extended at Bradenton last month when a regular monthly meeting was held there. Chairman Alfred McKethan and his board associates constitute a hard-working, efficient and conscientious group of state officials. Counties in Florida have been given more consideration under the present SRD board than ever before. Members of the board are to be congratulated on the splendid manner in which they execute their duties.

Mrs. J. W. Hooks, mother of Delmar Hooks in Canal Point, who accompanied her son-in-law and daughter, Mr. and Mrs. T. W. Jenkins to Georgia returned with them this week.

Lions Or Rotarians — You Pick 'Em

J. H. Lynn Sells His Ford Co. Interest

J. H. Lynn, a former member of Elliott-Lynn Motors in Pahokee, announced Thursday that he had sold his interest in the concern to B. Elliott. Mr. Elliott is the former owner of the Ford agency and operated it as an individual for more than 20 years before selling out a couple of years ago to Mr. Lynn and Thomas Elliott.

Mr. Lynn said that he was not sure what his future plans would be but for the next few weeks he would be busy building a house for Shirley Brothers.

When asked if the name of the concern would be changed immediately, Mr. Lynn said that he thought operation of the Ford concern would continue for several months under the present name, or at least until the end of the company's fiscal year.

Pioneer Of Glades Dies In California

J. R. Poland, 86, of West Palm Beach, and a pioneer of Pahokee died July 5th in a hospital in San Jose, Calif., while visiting his daughters in that city.

Mr. Poland came to Pahokee in 1915 and invested in a large acreage of state lands here. Later much of the land was divided into lots and sold as people began to settle in this section.

He and Mrs. Poland lived in Pahokee until 1931 when they moved back to West Palm Beach.

His body was cremated in San Jose. He is survived by his wife, and 2 daughters and 1 step daughter.

Mrs. Poland flew to San Jose to be at his bedside.

John D. Rogers, Jr., returned to his home Saturday after spending a week as the house guest of his brother-in-law and sister, Mr. and Mrs. Wm. Justice in Columbia, S. C.

Tall Talks Are Told By C. P. Lions Group

At a meeting of the Canal Point Lions club Monday evening at the Community Park building members had an opportunity to see how good they were at impromptu speaking. Alton Jones, program chairman, distributed themes for talks to members and each member had to make an impromptu talk on the subject given him. According to Secretary Boyd Vorhees some rattling good yarns were spun. Visiting Lions were Ralph Johnson and Marvin Cowart of Pahokee Club.

Red Cross Names Disaster Group

According to an announcement by Col. R. Bruce Jones, Redcross Disaster chairman, the following have been named on the Glades evacuation committee for 1951-52: Luther Jones, Belle Glade, chairman; Wm. Young, F. Dooley, R. E. Hotard, all of Belle Glade; Frank Rozelle, Pahokee; Paul Rardin, Canal Point; W. G. Allen, South Bay; Ted Daniels, Lake Harbor; and R. Y. Patterson of Clewiston.

For the Pahokee-Canal Point area; headquarters at the town hall with Frank Rozelle, chairman and Ralph O. Johnson, vice chairman. Committee on survey, Paul Rardin and D. L. Hooks; medical, Dr. E. C. Johnson and Dr. E. J. Graham; shelters, Claude Shirley and Albert Fremd; food, Thad Whidden and J. V. Thomas; clothing, Joe Kahn and Carl Medlin; transportation, Manning I. Keen, communication, Loren Meredith and Billy McKinstry; registration and information, Mrs. G. C. McLarty; purchase and supply, I. M. Lairy. Shelters will be at town hall, school building and Baptist Church in Pahokee and school building at Canal Point.

State Road Dept. To Hold Monthly Meet In West Palm Beach

HOOKS GIVES INTERIOR OF STORE NEW COAT PAINT. D. L. Hooks and his son, Stanley, were busy recently for several days giving the interior of the Hooks grocery a new coat of paint. Mr. Hooks recently took over operation of the store from Cosby Crews who operated it for nearly two years. Mr. Hooks invites his many friends to visit him at his old stand.

Cattle Sales Brisk At Glades Market

The cattle auction sales at the Glades Livestock Market on Monday were lively with buyers active and demands strong. Stocker cattle were in great demand as there is a shortage of cattle for both new and old pasture lands in this section. According to George C. Young, manager of the market, stocker cattle for this area come from Collier, Lee, Glades and Hendry counties and on the East Coast from Miami to Melbourne. Slaughter cattle were also in strong demand on Monday. Young said that there are a number of small cattle buyers depending on the local market for their supply of beef. They purchase in such small volume that it does not pay them to patronize markets further away. This has kept slaughter cattle in demand during the summer months.

Some outstanding sales this week at the market were several small groups of stocker calves which brought \$35.00 per hundred weight.

The sales are expected to continue lively through next week as some 25 to 30 veal cattle will be offered at the sale next Monday. These calves, half Brahman, weigh from 200 to 300 pounds each.

Monday 316 cattle and 2 horses were sold for a total of \$52,319.72. Sales according to types and grades were: slaughter steers and heifers, commercial grade, \$29.25 to \$30; utility, \$26.50 to \$28.75. Slaughter cows, utility grade brought \$25.50 to \$27.00; cutter and canner, \$20.50 to \$25. Bulls, commercial, \$30.00; utility, \$26.75 to \$27.75; cutter and canners, \$24 to \$25.

Stocker steers, medium grade, \$28.75 to \$35; common, \$26.50 to \$31.00 and inferior, \$21 to \$27.00.

Stocker calves were in strong demand with medium grade bringing \$30.50 to \$35.50. Common grades sold for \$28.00 to \$32.00 and inferiors, \$25.00 to \$25.75.

Stocker cows, medium grade, brought \$27.00; common, \$23 to \$25. Stocker bulls, common grade, sold for \$28.50 to \$29.50 and inferior grades, \$26 to \$27.75.

According to Young in addition to the cattle sale next week there will be a new 110 volt generator powered by a V-8 motor on sale at the market.

Plans have been completed for the State Road Department to hold its July meeting in West Palm Beach, according to County Commission Chairman Paul Rardin of Canal Point. The business meeting of the SRD will be next Monday and the contract letting will be held in the circuit court room on Tuesday, Chairman Rardin said.

At the June meeting of the SRD held in Bradenton the official invitation was extended to the board by Chairman Rardin on behalf of his Palm Beach County Board. County Commissioners from Key West to Vero Beach will be invited to attend also, Chairman Rardin said.

SRD meetings will be held in the circuit courtroom at the courthouse, July 23, the first day of the session, will be devoted to regular monthly business. Mr. Rardin said he has been informed by SRD officials.

On the night of July 23 the County Commission and officials of the Central and South Florida Flood Control District will join in sponsoring a dinner party at the Flotilla Club for SRD personnel, Mr. Rardin said.

SRD members will let contracts for road and bridge projects July 24, Mr. Rardin said. He added that Palm Beach County is interested in two projects to be let that day. These are the final link in the lakeshore road extending from Lake Worth Bridge to Lantana Rd., and one mile of extension of 45th St., city from Voss Rd. to Pinewood Ave.

South Bay Farmers Getting Ready To Go

SOUTH BAY — Local farmers many of whom have been on vacation with their families at the sea-shore, in the mountains or visiting relatives in and out of state, are now returning home and starting to get ready to open up their fall vegetable growing operations.

Tractors are being tuned up and land treated to kill weeds as a preliminary to fall plowing. Some plowing is already in progress on high land for the early fall crop of vegetables.

Meanwhile seed beds are being planted to celery, pepper and egg plant.

Cane growers are cultivating and destroying the weeds in their fields of new cane.

The dry corn harvest is also in progress. A portion of it is stored in weather and rat proof barns for local consumption of cattle.

A part of the corn crop as usual is being dehydrated, shelled and sacked for shipment to Tampa and other points, there to be turned into poultry feed.

Mr. and Mrs. C. M. Todd have returned from Miami where they visited their son and daughter-in-law, Mr. and Mrs. Owen Todd and family.

Whitehair Selection Welcome

With replacement of Francis Matthews as secretary of navy by Dan Kimball, there is an opening for an under-secretary of navy. The position reportedly is being tentatively tendered to Francis Whitehair, Florida attorney and prominent citizen of DeLand.

Floridians should be encouraged if this honor materializes. The distinction of positions of cabinet and "little cabinet" rank has been such in the past that Florida was seldom represented. Florida's Millard Caldwell is the most notable exception in recent months, having been made head of the emergency civilian defense organization.

Whitehair is well known and his abilities generally recognized in this state. He could serve in such a position with distinction, once the experience was acquired. Floridians both in Washington and in Florida should be near unanimity in support of this rumored development, fraught with consequence both to the nation and to the state.

Florida is a state of many naval bases and stations. Its interests and those of the nation coincide in its long and honorable association with the navy. Florida would welcome Whitehair as undersecretary of navy and expect him to bring only credit upon himself and upon Florida. —Miami Daily News.

News Notes From State Capital

TALLAHASSEE — The Florida Board of Forestry has served notices on five counties that it cannot extend fire control to them because the 1951 legislature did not appropriate money for that purpose. The five, Union, Seminole, Manatee, Sarasota and Collier, have voted to tax themselves for a part of the cost. The state would also have the advantage of matching federal funds. But X. L. Pellicer, St. Augustine banker and president of the board, announced that the legislature appropriation of \$1,755,000 would limit the board to fire control work in the 30 counties which already have been brought into the program. These counties contain more than half of the 20,000,000 wooded acres in Florida.

TALLAHASSEE — Work has started on the creation of a new state park, on Little Talbot Island,

between Jacksonville and Fernandina, on the romantically named Buccaneer Trail. The Florida Board of Parks and Historic Memorials announced it will move equipment to the island this week to clear ground for the first installation, a completely equipped children's playground. The state road department already has built access roads and parking strips along the ocean side, connecting with State Road 1A. The park board also has plans nearly complete for the first buildings "on Little Talbot, a series of picnic tables, a well and a bathhouse and comfort stations.

TALLAHASSEE — Collier county wants it clear that she is not opening the season to hunters of buck deer between June 20 and July 31. A series of seven old population laws—one of the devices by which lawmakers have evaded the public

notice required for local laws—charged with the official federal census so as to apply to Collier county instead of Dixie and Baker counties. Ben C. McLaughlin, director of the state game and fresh water fish commission, has an opinion from Attorney General Ervin that says that the old laws now apply to Collier county, but pointed out that the state commission has full power to open or close seasons for hunting. The season, he says, is closed for deer in Collier county.

TALLAHASSEE — The long range jousting between the U. S. Senate crime committee and Governor Warren was hammered down, in the light of the governor's refusal to allow himself to be subpoenaed by the senate for any purpose, here or in Washington, his invitation to the committee to meet in Tallahassee for a two-sided discussion of crime conditions, which the committee refused, and finally the surprise visit of Downey Rice, investigator for the crime committee, to Tallahassee and other points in the state. He declined to state what he was hunting, left without further announcement. The governor took the position that the United States Senate does not have the power to order him to testify under oath on any public subject, but offered to meet the committee for full discussion of all matters before the committee. Apparently sidetracked is the com-

mittee's primary purpose of sleuthing out interstate narcotic movements.

TALLAHASSEE — Attorney General Richard W. Ervin this week gave his official opinion on the following general subjects:

FISH — Privately owned lakes of 150 acres are not subject to control of fish and game commission.

TRUCKS — Where trucks are owned by Florida partnership, they cannot be exempt from mileage tax even though operated in interstate commerce.

FUEL — New provision makes gas tax applicable to other fuel used by tractor carriers, for use of the highways.

ELECTIONS — New election code effective in September does not require County using voting machine to investigate for fraud.

LABOR — New social security plan for certain state and county employees can be administered by director of workmen's compensation.

OVERTIME — State plant board inspectors may be paid for overtime work from federal funds.

ELECTION — Fernandina may hold consolidation election on same day as May primary.

TALLAHASSEE — The Florida Highway Patrol will be able to give all its people a \$75 a month raise in pay, but the patrol cannot expand to 300 now as planned during the legislature. H. N. Kirkman,

director of the department of public safety, said the money provided by the legislature, although designated as an amount needed to add 110 patrolmen to the force, would not do the job.

Pfc. John A. Wilson Takes Special Course

Pfc. John Arthur Wilson, son of Mrs. Daisy Wiley, Pahokee, has successfully completed an eight-week Leaders' Course conducted by the Specialist Training Regiment of the famed 8th Infantry Division at Fort Jackson, S. C.

Private First Class Wilson was inducted into the Army last December. He attended Riley High School in Brunswick, Ga., and was employed in Pahokee before entering the service.

Students enrolled in Leaders' Course are selected from the enlisted ranks of the Third Army area for the purpose of determining their potential for commissioned and non-commissioned officers.

Korean Veteran Is At Home In Canal Point

Sgt. Freddie Clark, who has seen active service in a Tank Corps in Korea for 1½ years, is visiting his parents, Mr. and Mrs. T. C. Clark in Canal Point on a furlough. This is his first visit to the States since he was sent to Korea after basic training two years ago.

BIGGER PACKAGE...HIGHER QUALITY

And up in price far less than most things
...That's your **TELEPHONE SERVICE**

Today you can call a lot more local telephones than you could ten years ago. The service is faster and more efficient. Yet the price has gone up far less than most things you buy.

In this fast growing state the telephone keeps on growing more useful for business and social needs... and for national defense. Southern Bell is spending millions to bring telephone service to still more people of the state.

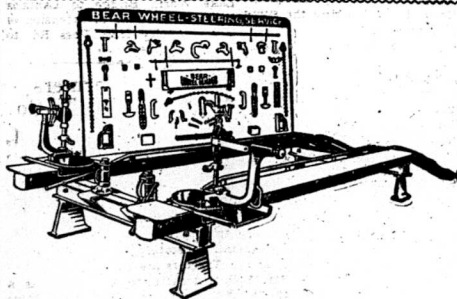

A. B. DOOLEY, Florida Manager

BIG AND GROWING VALUE!

Although Floridians can call more than 2½ times as many local telephones as they could ten years ago, telephone rates in the overall have gone up less than a fourth as much as prices in general. Always one of your biggest bargains, telephone service is today an even better buy than it was ten years ago... and a relatively smaller item in the family budget.

Big, isn't she?

Twenty-seven thousand, one hundred tons of fighting steel! But this aircraft carrier is only a lightweight compared to some of the towering dreadnaughts that make the U. S. Navy the mightiest in the world. Your navy is in there slugging every minute, doing its job to defend you and all of the things you hold dear.

But remember, defense is your job, too! And one of the best-ways to do your job is to buy U. S. Defense* Bonds. You'll be helping your country and at the same time you'll be making the soundest investment on earth today. For U. S. Defense Bonds are as safe as America!

★ ★ ★

THE U. S. DEFENSE BONDS YOU BUY GIVE YOU PERSONAL FINANCIAL INDEPENDENCE

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house, or educate your children, or support you when you retire. Remember, too, that if you don't save *regularly*, you don't save at all.

So go to your company's pay office—now—and sign up for regular Defense Bond purchases through the Payroll Savings Plan. In this plan, you may save as little as \$1.25—or as much as you want—each week. If you can save just \$7.50 weekly, in ten years you'll have bonds worth \$4,329.62 cash! You'll be helping protect America—and helping your dreams come true.

20-Year-Old Holds His First Revival

Ministerial student Hoke Harold Shirley, Jr., of Pahokee is conducting his first revival meeting this week at Westville, Fla.

This preaching business is nothing new to Young Shirley who has had a church of his own since Jan. 1st. But this is his first venture in an evangelistic campaign. The 20-year-old minister is the son of Rev. and Mrs. Hoke H. Shirley, Sr., of Pahokee. The Rev. Shirley, pastor of the First Baptist Church here, has been in the ministry for 31 years, giving his son a goodly heritage.

Hoke Jr., was ordained at the local church six months ago at the request of the Lady Lake Baptist Church near Deland, which had called him as its pastor. Dr. Heale Barnett, professor of religious education at Stetson University, delivered the ordination sermon and the Rev. Shirley presented the Bible to his son in the ordination service. Hoke graduated with honors from the Ft. Lauderdale High School in 1949. He was valedictorian of his class which was composed of 205 students. He has maintained this splendid scholastic record at Stetson University where he has the distinction of being a straight "A" student.

Following the completion of his sophomore year at Stetson, the Rev. Carl Parker, pastor of Westville, booked Hoke for his first revival engagement which started last Monday and will continue through July 20.

When he completes his college course at Stetson, Young Shirley plans to enter the Southern Baptist Theological Seminary at Louisville, Ky., where he will work for his Ph. D. degree. Typical of Hoke, he wants to do this preaching job right.

Shirley Family To Visit In Georgia

Rev. and Mrs. Hoke H. Shirley, Sr., will leave Saturday for Lady Lake where they will visit their son, Hoke Shirley, Jr., at the Baptist pastorate there. They will be joined there by their son-in-law and daughter, Mr. and Mrs. Robert A. Burris and daughter, Brenda Kaye of Ft. Lauderdale. Later they will all go to visit relatives in Commerce, Ga., the Rev. Shirley's old home and to Savannah, Ga., Mrs. Shirley's home. They also plan to visit Elberton and West Point, Ga. Young Shirley, who was born in West Point, will preach to his friends there. The Rev. Shirley is pastor of the First Baptist Church in Pahokee. The pulpit committee will provide a minister to fill the pulpit in his absence.

Suffered After Every Meal Due To Acid Indigestion

Recently a lady stated that she was troubled with indigestion after every meal regardless of what she ate or how much she ate. That she had tried about everything sold for stomach relief but with no success until she got INNER-TONE. She stated she was amazed with the results when she took this medicine. Now she eats without fear and is free from indigestion for the first time in years. INNER-TONE is the new formula of juices from Nature's plants combined with blood-building IRON and nerve strengthening VITAMINS B-1, B-2, and B-6. It has relieved many people who had never been really helped before by any medicine. Taken shortly before meals it mixes with your food and aids digestion "thus eliminating gas and bloating." So don't go on suffering! Get INNER-TONE at Carter - Geiger drug store.

Cinematic Chatter

By Malcolm Millar

Here is some advice from Corinne Calvert to all women. Corinne says: "Just worry yourself thinner or heavier." Corinne says that's what she does and she has a perfect figure. Yeah, boy!! She says when she gets a tough assignment in a picture she goes home, washes her hands thoroughly and then stars eating her fingernails half the night. The fingernail chewing exercise is not necessary to reduction of blubber. Designer Edith Head, designer of wardrobe for the movie elite, says Corinne has the most seductive figure in

Hollywood. Jane Wyman, who won the Academy Award for her great performance in "Johnny Belinda," has gone from the sublime to the ridiculous. Jane has switched to slap-stick song-and-dance opposite Bing Crosby in Bing's latest, "Here Comes The Groom." Jane does equally well in comedy roles, throwing her whole heart and soul into her work and thoroughly enjoying it. Saw a picture just the other day of the Gish Sisters. Now pretty well along in years and I wondered how many others had seen this picture in Look Magazine, and remembered Lillian and Dorothy in the old silent days when they were at the peak of their careers. These girls were at one time the most beautiful women in pictures, and even now, with the marks of age, they display a charm and personality still enjoyable. See you at the movies—Mal.

Jack Chastain Buys McLarty Building

Jack Chastain, owner of City Market in Pahokee, recently purchased the McLarty building in Pahokee which is occupied by the post office, Belk's Grocery and Chandler's Sundry store.

Mr. Chastain has not announced his intentions in regard to his future grocery operation plans, but, the lot on which his present store is located is owned by John Bolton and Mr. Bolton just a few days ago received a federal permit to erect a new drug store.

Horace Scruggs Is On Top For Talent

Horace Scruggs, a young comedian from Canal Point, literally tore the house down Tuesday night, at the Prince Theatre, when Malcolm Millar presented another program of local talent in his Talent Scout Night show.

Horace rendered a number, author unknown, under the title "Howling at the Moon," and his comical antics during the rendition had the audience in stitches.

Myra and Verlin Jones took second place with "Peter Cotton Tail" and "The Wise old Owl." Dressed in starched red dresses topped by their beautiful blonde hair, they made a charming pair and captivated the audience.

Velma Williams and Nancy Thomas deserve extra mention for their presentations and their clever performances. Velma gave "I taut I saw a puddy Cat" exceptionally well and returned with "Aba Daba Honeymoon." Nancy displayed a delightful Carman Miranda costume and plenty of showmanship with a tap dance and an encore of acrobatic stunts.

Geraldine Upthegrove was very cute in a long evening gown and displayed ability in her rendition of "Mother."

Guest stars from Belle Glade were Mac McCloud, with a black face offering loaded with laughs and Raymond Martin, from South Bay, offered two talented harmonica renditions.

Judging from attendance and the ringing applause we would judge that Talent Scout Night is a very popular form of entertainment among theatre goers.

Dan's Restaurant Is Gaining Friends

Dan's Restaurant in Pahokee opened for business on July 3 and many folks enjoyed Dan's hospitality when he served refreshments on opening day "on the house." More than 300 folks visited the new cafe opened in the recently remodeled building owned by Dr. L. W. Armstrong next to the Dixie Hotel in Pahokee.

Dan is serving regular luncheons and regular breakfasts. He says that short orders are available any hour of the day. His steaks are earning themselves a splendid reputation.

Home made pies are a novelty of the new restaurant. Dan says that folks are really "going for them." They are baked fresh every day and already during the short space of time the restaurant has been open they are gaining popularity.

Serving hours are: Week days from 5 a. m. to 1:30 a. m. and Sunday from 6 a. m. to 12:30 a. m. Dan extends a cordial welcome to one and all to visit his new place.

FORMER PASTOR WILL FILL LOCAL PULPIT

Rev. S. B. Jordan of Hialeah, former pastor of the Canal Point Missionary Baptist church will fill the local pulpit on the first and second Sunday in August while the pastor, Rev. C. J. Smyly and family, are on vacation.

Christian Science Group Of Canal Point

Subject of the Lesson-Sermon to be read in all Christian Science churches next Sunday is "GOD." This Lesson reveals the potency of prayer when based on spiritual understanding.

The Golden Text is from I Samuel (2: 2): "There is none holy as the Lord; for there is none beside thee: neither is there any rock like our God."

Citations from the Bible include this statement from James (5: 15, 16): "And the prayer of faith shall save the sick, and the Lord shall raise him up; . . . The effectual fervent prayer of a righteous man availeth much."

Correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "What is this healing prayer? A mere request that God will heal the sick has no power" to gain more of the divine presence than is always at hand. . . . It is neither Science nor Truth which acts through blind belief, nor it is the human understanding of the divine healing Principle as manifested in Jesus, whose humble prayers were deep and conscientious protests of Truth, — of man's likeness to God and of man's unity with Truth and Love." (p. 12).

Pete deMoya On The Mend At His Home

Peter Paul deMoya is at his home on Bacon Point Road after being returned from a hospital in West Palm Beach. Pete has had a tough struggle to get back on his feet but today he believes he is on the mend. His increase in weight is encouraging to him and his friends. He has already gained from 80 pounds up to 94—that is a sure sign that everything's going to be okeh. Pete, as you know, is the genial manager of the Glades district office of the Florida Power and Light Company.

Rev. James R. Roy Is Canal Point Pastor

Rev. James R. Roy of Buchanan, W. Va., has been appointed pastor of the Canal Point Methodist Church by Dr. Daniels, superintendent of the West Palm Beach District of the Florida Conference.

The Rev. Roy and his wife and 3 children will arrive in Canal Point September 1st. Rev. Walter Oldford of West Palm Beach is supply pastor of the church until the pasteur arrives.

Mrs. Todd Hostess To Church Circle

Mrs. C. M. Todd was hostess to members of the Margery Lair circle of the Methodist Woman's Society of Christian Service Monday afternoon at her home. The program was taken from Dr. Norman Vincent Peale's sermons, "How to Live Confidently," which was given by Mrs. Todd and "Technique for Meeting Crisis Days." Mrs. R. J. Schroder, Mrs. W. H. Lair led the opening prayer and Mrs. Earl McReid closed the program with a poem, "Talking To God." Mrs. Schroder, program chairman, was in charge of program arrangements and presided at the meeting in the absence of the chairman, Mrs. Arch Blakey, who is away on vacation. Mrs. Todd was assisted with the serving by Mrs. Leo Maxwell, Mrs. O. B. McClure, Mrs. R. J. Simonson and Mrs. I. W. Weeks, members of the Mabel Simonson circle, were visitors.

IN MEMORIAM

Whereas, it has pleased the Grand Master of the universe in his infinite wisdom to remove from among us our esteemed friend and Brother

VALPEAU C. DENTON

Whereas, We feel that by his demise we suffer the loss of a faithful member of our fraternity and the community an honored and upright citizen, one who was beloved by all who knew him.

BE IT RESOLVED, That for the purity of his life, the cheerfulness of his presence, the uprightness of his character, The kindness of his dealings with others we shall hold him in loving remembrance as an example worthy of our emulation.

RESOLVED, That while we mourn for him as a friend and Brother our sorrow is lessened by the knowledge of his well spent life which presages his triumph over death, and we are lead to exclaim Blessed are the dead who die in the Lord.

RESOLVED, That we, the officers and members of this lodge, extend our most heartfelt sympathy to the immediate relatives and friends in their great sorrow over the departure of a life so useful and commend them to Him who doeth all things well.

RESOLVED, That these resolutions be placed on the records of the lodge and a copy presented to the sorrowing relatives of our deceased Brother.

Given under our hands and seal of Everglades Lodge No. 211 F. & A. M. this 13th day of July A. D. 1951, A. L. 5951.

Cecil L. Hall,
Worshipful Master.

Nazarene Church Has New Minister

Rev. James B. Tripp of Jacksonville has been appointed as the new pastor of the Pahokee Church of the Nazarene. Before coming to Jacksonville, where he was pastor of the South Side Nazarene church for six weeks, he was pastor at the Titusville Nazarene church for 3 years. He succeeds the Rev. Harold E. Elzey, who has been pastor of the local church for 10 months, and who has been assigned to Tripp's former pastorate at South Side Nazarene church in Jacksonville. The exchange of pastors was made by the Rev. John L. Knight, superintendent of the Florida District of the Nazarene Church. The Rev. and Mrs. Tripp are residing in the parsonage here and will be joined by their daughter, Miss Dorothy Tripp, a student at Trevecca College in Nashville, Tenn.

The Tripps have 5 sons. Clarence, who graduated from Titusville High School last year, is now employed in that city and will join the family here later. Their son Howard, a theological student at Trevecca College was married on July 6th to Miss Edna Mae Swisher of Tampa. His father performed the ceremony at the college chapel in Nashville. Thomas is at Camp Jackson in Columbia, S. C., for military training. Albert is staff sgt. in the Air Force, stationed at Manchester, N. H. and Francis W. is a deep sea fisherman at New Bedford, Mass. They also have a married daughter, Mrs. Raymond Lienard of Winter Park.

Mrs. Marshall Lair and daughters, Bonni and Dot Emma left Tuesday for Luverne, Ala., where they will spend several weeks visiting her parents, Mr. and Mrs. Charles Howell, and other relatives.

Plans Are Made To Honor Missionary

At a meeting of the Baptist Woman's Missionary Union Monday at the church plans were made for a tea honoring Miss Fay Taylor, for whom one of the local W. M. U. circles is named. Miss Taylor, daughter of the Rev. and Mrs. P. T. Taylor of Miami, is a missionary to China. At present she is spending several weeks furlough with her parents. The Fay Taylor circle was named by Mrs. H. L. Speer, president, to be in charge of arrangements for the tea.

The Young Women's Auxiliary with Mrs. L. W. Mullis as counselor, presented a Royal Service program. The theme was "The Continuing Price of Freedom." Those taking part were: Joan Huffman, Elizabeth Clarity, Ethel Miller and Sibyl Jensen. Carol Mullis, Jan Bernhardt and Lynette Hammond led the group in pledges to the United States and the Christian flags and to the Bible.

At the close of the meeting members of the Lucy Jones circle served refreshments to those attending. Hostesses for the social hour were: Mrs. Robert Lampi, Mrs. C. A. Batchelor, Mrs. M. Baxter and Mrs. W. H. Rogers.

BREAKFAST CLUB

The Breakfast Club of the Men's Bible class of the First Methodist church met in the social hall of the church Sunday at 8 a. m. The committee in charge was R. E. Simonsen, D. Macr. Padgett, Clyde A. Canipe, and Marvin Cowart. Breakfast was served to approximately 25 attending.

Orlando Dedicates Airport Building At Cost Of 1-3 Million

ORLANDO—A new \$350,000 airport administration building, constructed jointly by city and Federal funds, was formally dedicated here July 16.

Sen. Spessard L. Holland gave the dedication address at afternoon ceremonies. Also in attendance were legislators, airline executives, State cabinet officers and mayors.

The two-story building, with 20,000 square feet of floor space, is of modernistic design featuring horizontal lines and glass areas.

It houses a restaurant seating 100 persons, cocktail lounge, information desk, snack bar, offices of Orlando's director of aviation, O. L. Sands, two airline ticket offices, U. S. Weather Bureau and Civil Aeronautics Administration radio and communication rooms.

Orlando's airport is located less than two miles from the heart of the business section and operates on a 24-hour a day schedule.

Former Pastor Will Sail For Europe

Rev. Joe A. Tolle, former pastor of the Methodist church here and his wife will sail on the Queen Mary August 4th for Europe. The Rev. Tolle, who is district superintendent of the Tallahassee district, will attend the Ecumenical conference at Oxford and they will visit many European countries including Germany, France, and Italy. While the Rev. Mr. Tolle is attending the conference at Oxford Mrs. Tolle will fly to Belfast, Ireland where she will visit her sister-in-law, Mrs. Laurie Gates' parents.

National Safety Week Proclaimed By Pres. Truman For Farms

TAMPA—President Truman has issued a Proclamation declaring July 22-28 as National Farm Safety Week.

Since 1938 when Commissioner Nathan Mayo inaugurated the "Farm Safety Program" in Florida, many lives have been saved and thousands of accidents have been prevented.

Like all Safety programs, the need for safety on the farm has been continually brought to the attention of farmers and their workers.

Tractors continue to be the main cause of fatalities on the farm, most farmers realize that any machinery should be stopped for repairs and not try to fix it while in operation.

Many farmers and their helpers are involved in accidents off the farm, especially in traffic accidents. These can cause loss of man power so much needed on the farm, stated Asher Frank, Director of Florida State Council.

Beautification Plan To Be Pushed State Wide By State CC

JACKSONVILLE—Committees are being organized in all Florida counties to put into action the state-wide beautification program developed at a beautification conference in Orlando this Spring. Mrs. W. S. Jennings, chairman of the Beautification Committee of the Florida State Chamber of Commerce, sponsor of the program, has announced.

"The board objectives which each county committee is expected to work upon in the preliminary stages of the program will include the planting and care of a mile entrance on main highways for each city, town and village in the country, and the development of such other projects which the particular needs of each community requires. The State Road Department, county commissioners and municipal officials will have an important place in the program," Mrs. Jennings said.

Sportsmen To Help Set Hunting Season

TALLAHASSEE—Florida sportsmen are being given every opportunity to offer their recommendations concerning the dates, rules and regulations covering the 1951-52 hunting season, Ben L. McLaughlin, director of the State Game and Fresh Water Fish Commission, said today.

He revealed that a series of meetings with sportsmen have been scheduled in various sections of the state to be held prior to the Commission's hunting season meeting here the morning of July 16.

"The recommendations now being received from sportsmen's groups will be given full consideration at the Commission meeting so long as they are in keeping with sound conservation practices," McLaughlin said.

In an effort to adopt recommendations, the Florida Wildlife Federation has arranged a two-day session to be held here just prior to the official Commission meeting. It is expected that sportsmen from all sections of the state will attend. Similar meetings already have been conducted recently at Deland, St. Petersburg, and Panama City.

Paper Company To Spend Huge Sum In Expansion Program

TALLAHASSEE—A \$25,000,000 expansion program by the St. Joe Paper Company at Port St. Joe was announced recently by Governor Fuller Warren. The project will provide 1,000 new jobs for Floridians. The program will get underway immediately at the company's big mill at Port St. Joe. When completed in September, 1952, the mill's capacity for producing pulp and liner board will have been increased three times. Current production is 400 tons daily. The Governor said he has been informed by Roger Main, president of the Company, that in addition to expansion of the mill itself, a new building with 100,000 feet of floor space will be constructed to house equipment for production of corrugated boxes.

Bolton Will Build New Drug Store

John Bolton of the Bolton Drug Store in Pahokee and Mrs. Bolton cut short their vacation this year. They had planned to keep their store closed until next week but instead they opened on Tuesday of this week. They spent one week in Clayton, Ga.

The Boltons plan to build a new drug store on the lot occupied by Jack Chastain's City Market. Present plans call for something to be started not later than the first of August, Mr. Bolton said. Already some steel is on the construction site.

Just what plan Mr. Chastain has for the City Market is not known at this time. He will have an announcement to make in the near future.

Young Salvatore Heads Vet Committee

Carmen Salvatore, Jr., of Pahokee and E. S. Allen of South Bay have been elected chairman and vice chairman of the Glades Veterans Service committee. According to an announcement by Guy D. Bender, Belle Glade, veterans service officer, veterans desiring to use the GI Bill of Rights must do so before July 25th. He said all veterans who will be able to use these rights must be actively engaged in school work by this date.

Controlled Materials Plan Is Developed By Production Group

JACKSONVILLE—Everybody is in it. In what? Why, the Controlled Materials Plan which became effective July 1 and determines how much steel, copper and aluminum may be allotted to business firms and individuals in need of these scarce materials, according to Mr. William A. Dunlap, District Manager of the U. S. Department of Commerce at Jacksonville, with offices in the Federal Building of that city.

The Controlled Materials Plan is the latest development of the National Production Authority for seeing that a fair and equitable distribution of scarce materials in short supply is made available to business in accordance with the needs of defense, the needs of the individual business concerned and the total supply of the commodity in question.

CMP Regulation 5, which replaces NPA Regulation 4, provides for acquisition of maintenance, repair and operating supplies under the Controlled Materials Plan; while CMP Regulation 7 does the same for parts and materials needed by repair shops. Copies of these regulations will be furnished free on request.

The dwelling house of James Segler south of Pahokee on the Bacom Point road, one of the best houses on East Beach, burned Thursday. The loss to building and contents was complete, with loss of about \$7,000 and only partly insured. Mr. and Mrs. Segler are in North Carolina and the origin of the fire is not known.

C. B. Savage, Everglades representative of the Exotic Gardens, has returned from a trip to Chicago. He attended the national seedmen's convention. Mr. Savage has given The Everglades News a story of his trip which will be printed next week.

Walter Clark, formerly of Los Angeles, and W. C. Johnson of Danville, Ill., have taken over 12,000 acres of land in Glades county from N. F. Stone part of the old South Florida Farms Company holdings. Johnson came to the lake region as agriculturist for the Clewiston Company but is not now connected with it. Clark and Johnson are organizing a selling force.

Preparations for making fall crop of vegetables will get under way strongly on the return of several of the large farmers who are now away on their vacations. Frank Friend and family are still at Asheville, N. C.; the Hull brothers are at Plant City, where their father is ill; and Charles Moran is in Tennessee. O. B. McClure will again farm in section 5; he has put out seedbeds. Dr. W. H. Lair also will farm in section 5 again. Smith & Todd are preparing for an early crop of beans. Grasshoppers are bad in some localities and some of the truckers say, as does Andy Smith, that they will wait until there are less hoppers, so they will not have too much work to do in protecting the seedbeds.

T. E. Harris, formerly of Calhoun county, Mississippi, is a new resident of Pahokee, occupying a house on Canal Point road. When he came to Florida he worked for the Indian Lumber Company at Inverness and when the company started in at Indiantown he came with it and then went to Kelsey City when the lumber company moved its outfit there, but as he is a farmer and had heard of the Everglades soil, he quit the job at Kelsey City and will put in a crop here.

Edmund Smith, who came here recently from Laurel, Miss., will leave shortly for Poplarville, Miss., where he will attend college beginning in September.

C. Eugene Smith, manager of

the Kilgore Seed Company's East Beach store, returned Monday night from a two-weeks vacation, most of which was spent in the Plant City district, although he also visited Moore Haven, where he was manager of the Kilgore store before coming to the Pahokee. He says Plant City, the trucking town, was the most prosperous place he saw while he was away.

Railways and highways have come into the Everglades but there is still boating on the lake and canals. These boats were moored in Canal Point harbor Saturday: The Bernice, owned by John S. Gray; the Iris F. and the South Pole, operated by John Fultz; the Josephine H., owned by Everglades drainage district; the Queen of the Lake, owned by The Clewiston Company; the South Bell Telephone Company's quarter boats and Stratton's houseboat. And of course there are the boats in the boneyard on the lake front.

The Canal Point Womens Civic Improvement Club held a business meeting Tuesday afternoon at the M. E. church building. New members enrolled were Mrs. Paul C. Filly, Mrs. Ruth Wibbe and Mrs. Clifford McClelland.

H. E. Miller of 43 Main Street, Andover, Mass., writes his friend C. G. Coburn that he expects to visit Canal Point shortly. He owns

a lot in the Canal Point townsite and will investigate the possibility of making this place his home. He will erect a building on his Canal Point lot if a satisfactory tenant is connected with.

Jake M. Boyd, county engineer appointed by the board of commissioners Saturday afternoon, assumed his new duties Monday. (Editor's Note: He is still County Engineer, 25 years later).

Canal Point is growing in every direction permitted by its location on the shore of a great lake.

A base ball team is being organized at Pahokee. Opportunity for practicing is limited because of lack of grounds of adequate size but some playing is done on town lots in the business district.

Writing under date of July 9, Mrs. O. V. Elliott of South Bay says: "Please send my copies of The Everglades News to me here at Malta, Montana, till further notice. Also last week's paper, so I will not miss any of the Glades news. Expect to be back in South Bay by October 1."

Hooks Brothers, operating Boe's Restaurant, have made their contribution to the movement for reduction of the cost of living high—they have cut the price of Coca Cola from 10 cents to 5 cents per bottle. E. W. Simmons made a five-cent price sometime ago, then O. P. Griffin did so, but the other dealers held to 10 cents. Now Brigham's Cafe has gone out of business and Hooks has joined the movement. Other places hold to the dime price. The other dealers claim Coca Cola is sold at cost when it is sold at 5 cents, considering the overhead and the cost of ice.

KYLE AND GLEN HATFIELD

Persons who have their laundry work done by local colored women instead of sending it to the laundries at West Palm Beach are complaining about the fix they are left in because so many of the colored people have gone to Georgia on their vacations. The good crops and high wages on East Beach make it as practical for colored people to go to Georgia for vacations as for white folks to get away for a few weeks during the summer.

Mr. and Mrs. C. M. Todd had as their recent guest their son, Basil Todd who is with the vegetable deal in Inman, S. C.
